

CONTENTS

Dedicated 95-years of birthday D. R. Merkin

David Rakhmilyevich Merkin (dedicated to his 95th birthday). <i>Gelig A. Kh., Leonov G. A., Morozov N. F., Sabaneev V. S., Tovstik P. E., Yakubovich V. A.</i>	3
<i>Blinov E. N., Sokolov B. M.</i> Stability, estimation of state and control in a certain nonlinear system	7
<i>Gelig A. Kh.</i> Stability of nonlinear discrete-time systems in the simplest critical case	15
<i>Zuber I. E.</i> The extension of class of stabilizable discrete-time nonlinear systems.....	19
<i>Leonov G. A., Kuznetsov N. V., Kudryashova E. V.</i> Limit cycles of two-dimensional systems. Calculations, proofs, experiments.....	25
<i>Tovstik P. E., Shekhovtsov A. S., Shekhovtsov V. A.</i> On the Mises girder.....	62

Mathematics

<i>Krym V. R., Petrov N. N.</i> The curvature tensor and the Einstein equations for the four-dimensional nonholonomic distribution	68
<i>Makarov A. A.</i> Normalized trigonometrical splines of Lagrange's type	81

Mechanics

<i>Arutyunyan A. R., Zimin B. A., Sud'enkov Yu. V.</i> The investigation of cyclic durability of construction materials by the method of optical-acoustic spectroscopy	88
<i>Byachkov A. B., Zegzhda S. A., Cattani C., Yushkov M. P.</i> The refined model of acceleration of a car as a problem with a non-retaining constraint	97
<i>Grekov M. A., Kostyrko S. A.</i> Generation of a relief on the surface of a film coating under the surface and volume diffusion	106
<i>Mal'kov V. M., Mal'kova Yu. V.</i> The plane problem of non-linear elasticity for harmonic material..	114

Brief scientific messages

<i>Grigoriev M. I.</i> The construction of a sphere by means of the projective Bezier patches	127
<i>Evdokimov S. M.</i> Absolute stability of two-dimensional systems with a hysteresis function of relay type.....	132
<i>Kiselev A. P., Tagirdzhanov A. M.</i> The Love waves with a transverse structure	136
<i>Krakovskaya E. V.</i> On the stress-strain state of a corneoscleral eye shell	140
<i>Sagatelyan V. K.</i> On a new model of record values	144

Chronicle

A. L. Fradkov (dedicated 60-years of birthday). <i>Gelig A. Kh., Indeytsev D. A., Leonov G. A., Morozov N. F., Shepelyavy A. I., Yakubovich V. A.</i>	148
