Editor-in-Chief: Petr Tovstik

ISSN: 1025-3106

1. The journal publishes the work of scientists of the St. Petersburg State University, as well as the results of researchers from other universities, that cover the main areas of fundamental and applied mathematics as well as mathematical problems in mechanics and astronomy.
2. The aim of the journal is to publish:
articles with the results of original, previously unpublished research, based on the results of joint projects by foreign scientists and scientists from St. Petersburg State University;
articles by domestic and foreign scientists, written based on their reports delivered at international conferences;
reviews written by request of the Editorial Board;
articles written for special occasions, for example, as part of anniversary and memorial issues.
3. The experts (reviewers) are volunteers from a group of leading scientists of St. Petersburg State University, Russian and foreign universities and institutes of the Russian Academy of Sciences. The selection of experts is made by members of the editorial board and the editor-in-chief.
Review guidelines are described in the documents of regulations "Reviewing procedure of scientific manuscripts received by the editors of the journal 'Vestnik of the St. Petersburg University. Series 1. Mathematics. Mechanics. Astronomy'".
4. The journal is issued 4 times per year.
